Social Studies I will be offered to those who have had Geography Methods but not History Methods.
Social Studies II will be offered to those who have had History Methods but not Geography Methods.

SUMMER SESSION 1936

THE CALENDAR

REGISTRATION: Monday, June 29, begins at 9:00 a. m. Classes begin work Tuesday, June 30. The term ends Friday, August 7th. The school is open to teachers of experience and to those who are expecting to teach in September and also to others who have begun their training.

FEES AND TUITION

Owing to a greatly reduced appropriation, a fee of \$20, payable at registration will be charged students who are residents of the State of New York. An additional recreational fee of \$1 will be collected by the treasurer of the student organization to finance the program of recreation for the summer. The tuition for non-residents of the State is \$25 in addition to the fee.

ATTENDANCE

Students are expected to appear for registration on the specified date and to report for work promptly on Tuesday morning, June 30th.

COURSES

In the field of physical education special courses are offered in physiology, physiology of exercise, physical education measurements, kinesiology, swimming and individual practice, including tumbling, apparatus and stunts.

All of the general courses offered in the summer school may be credited to training class graduates who are expecting to offer such credit for a normal school diploma.

Demonstration in intermediate and primary grades is offered by Miss Lucille Barber of Cortland Normal School and Miss Emily Forbrich of the Winnetka Public Schools.

Teaching Through Activities 2, 3 or 4 hours, Miss Stark

The special work in teaching through activities, this course combining with theory, 2 hours, both manual practice, 1 hour and observation, 1 hour, either primary or intermediate, has proved during the last three summers to be most popular with a large number of teachers representing schools located in the country, in villages, and in cities.

Rural Education II 3 hours, Miss Pierce

This course aims to give a command of acceptable principles of organization and technique of teaching in a one-room rural school, with emphasis placed on the unit plan of teaching as suggested in the State Curriculum Bulletins 1 and 2.

EXPENSES

Board and room at \$8 per week for a limited number may be obtained at the Nu Sigma Chi House, one block from the normal school grounds. For a five-day week the charge is \$6.50. The house does not furnish bed linen or towels. Those who are interested should write to Dr. Roxie A. Weber, 52 Prospect Terrace, Cortland, N. Y.

Text books may be purchased from the school book store at reduced prices.

For further information concerning the summer school, address
